

Oxygen Concentrator 8Ltr Capacity

OS - 8 Single Flow

Technical Specification

Features:

- * PSA technology
- * Adjustable flow rate
- * Dehumidity Function
- * Timing: LCD show Record the accumulated working time of the machine, accumulated time, set time.

Technical Data:

- * Flow rate: 0-8LPM
- * Purity: 93%+-3%
- * Outlet pressure (Mpa):0.04-0.07 /0.08-0.1
- * Sound level (dB) <=50
- * Power consumption: _480w

Optional Item which can be upgraded in single Flow:

1. Double Flow
2. Nebulizer
3. Purity Indicator.
4. Pulse Oximeter
5. Maintenance Alarm.
6. Alarm For High Temperature
